Sir,

I have the honor to enclose an Estimate amounting to Rs 7000 for the purchase of two Oil Engines with improved Mortar or Burtt grinding Mills in accordance to resolution 3 to 3 passed at a meeting of the Board held on the 13th of January 1904 and a copy of which is enclosed for ready reference.

2. I addressed the C.E. Secretary in my office 10 dated 18-12-03 asking him whether it would be convenient to spare two or three Engines with Mortar Mills that are now under use from the general Stores of the Public Works Department but no reply has been received up to date.

3 The Superintending Engineer's Circular was also addressed in my office 10 dated 16-1-04

dated 16th inst whether he could spare us land. an Enquiry or two from Sinan Samuelson works & on receipt of a reply I will furnish the same.

4. Useless Machines for grinding Mortar are arranged for, no work on the Construction of Sewers could be undertaken, as the Estimates provide for Machine ground Turki Mortar. Early orders are therefore solicited.

I have the honor to be
